

May 2019

Dear Parent,

Leadership Team Year 6 Interview -

I hope this letter finds you and your family safe and well during these times.

Here at St Julie's Catholic High School we are delighted that your daughter has been allocated a place from September 2020. We hope that she will be both happy and successful during her school experience with us.

Normally, at this time of year, we would be starting our face-to-face interviews with parents as part of the Year 6 Transition programme. Unfortunately, this will not be possible, however, members of the Leadership Team will be contacting all of the Year 6 cohort by telephone over the next four weeks.

If you telephone number has changed since you made your initial application please email admissions@stulies.org.uk and provide us with your current number.

The structure of the call will involve a positive conversation with you and your daughter followed by a private conversation where any sensitive matters can be discussed further. Each call will last around 20 minutes and will help to inform any decisions we make about class placements and support in September.

Enclosed with this letter is a booklet highlighting some key information for parents including uniform which we understand you will not be able to purchase due to current Covid restrictions. During the call you will have the opportunity to ask any questions you may have about the information we have sent out. There is also a 'Passport to St Julie's' activity booklet for your daughter to complete and bring with her on her first day in September!

May I take this opportunity to remind you to return any forms that you have not returned yet and thank you for your support of your daughter's education and we look forward to working with her over the next seven years at St Julie's Catholic High School.

Yours sincerely

Kate Rooney
Head of Lower School
