Year 8 Visit the Zoo!

On Tuesday students from Year 8 crossed the river for a wonderful day out at Chester Zoo! Taking full advantage of having one of the world's finest zoo and conservation centres almost on our doorstep, our students had a fully immersive experience meeting species from across the globe. Chester Zoo works to arrange the grounds into species appropriate natural ecosystems, and students took a relaxing boat trip around the 'Islands' biome, modelled on South East Asia. Some of the students who were feeling brave took on the dark humidity of the bat house, and were rewarded for their courage with some great sights. Well done to all of the students for their fantastic conduct on the trip.

Year 7 Hit The Silver Screen!

On Wednesday this week our Year 7 students enjoyed a visit to the cinema, as the whole year group made the short trip to the Cineworld theatre at New Mersey Retail Park to take in a screening of Minions and Monsters. The students had a great time and conducted themselves brilliantly throughout!

Performers Sparkle in KS3 Showcase Spectacular!

Performing Arts students from across Years 7, 8 and 9 - with some guest appearances from older students – signed off the school year with a dazzling showcase performance on Thursday evening. They were able to demonstrate all of the talents acquired and developed throughout their studies and were warmly rewarded by the appreciative audience!

New MenB vaccination offer for Year 13 students

Please see this message from Prof Matt Ashton, Director of Public Health at Liverpool City Council: From **20 July 2026**, the NHS is offering the Men B vaccine to everyone born between **1 September 2007 and 31 August 2008**. This includes all students in the current Year 13 age group, regardless of what they plan to do next. The programme has been introduced following recent outbreaks of MenB disease affecting young people and students. MenB disease is rare but serious and can cause meningitis and septicaemia. Two doses of the vaccine are needed, at least 28 days apart and will be available through participating pharmacies. Please book the first dose as early as possible so that both doses can be completed before the autumn. **Find out more and book here:** Meningococcal B (MenB) time limited vaccination offer - GOV.UK

This is also a good opportunity to check you are up to date with your other routine vaccinations including MMR, HPV and MenACWY (which protects against other types of meningococcal disease). You can check your record through the NHS App or contact your GP practice to check and arrange catch-up doses.

Youth SVP

As another academic year comes to an end, the Youth SVP is proud to look back on a fantastic year of serving our school, parish, and wider community.

Throughout the year, our members have put their faith into action by taking part in a range of meaningful events. We helped at the Parishioners' Christmas Party, hosted our 'kNOw Knife Crime' Movie Night, enjoyed a memorable SVP Sleepover, and raised money for Mary's Meals through our Tablet Raffle and Cake Sale. Every event gave us the opportunity to make a positive difference while growing in friendship and faith.

We are incredibly proud of everything our members have achieved this year. Their kindness, commitment, and willingness to serve others truly reflect the values of our Catholic school community. A huge thank you to everyone who has supported Youth SVP throughout the year. We look forward to continuing our work next year.

Interested in joining Youth SVP?

If you would like to make a difference, meet new people, and put your faith into action, keep an eye on school notices at the start of the new academic year for details on how to apply. Be sure to submit your application before the

deadline- we'd love to welcome you to the team!

Celebrating Nelson Mandela Day

18 July marks Mandela Day, and this year Liverpool City Council is joining forces with Mandela 8 to make it the biggest and most meaningful celebration the city has seen.

Nelson Mandela has a special place in Liverpool's story. His connection to this city runs deep, and every year we honour his legacy together.

Mandela Day is built around a simple but powerful idea: that each of us can change the world, and that an act of kindness can make a real difference. The theme this year is "It's in your hands."

This week pupils took some time to make a craft wood slice and decorate it with the south African flag and quotes from Nelson Mandela. These will be placed in the Peace Garden.

Year 10 & Year 12 Experience the World of Work!

This week, our Year 10 and Year 12 students have been out on work experience, gaining valuable insight into the world of work and developing the skills, confidence and independence that will support them in their future education and careers. From communicating with new colleagues and customers to problem-solving, teamwork and time management, our students have embraced every opportunity.

We are incredibly proud of how they have represented our school. The feedback we have received from

These comments reflect the enthusiasm, professionalism and positive attitudes our students have shown throughout their placements.

Take a look at the charts to see the wide range of sectors our students have experienced highlighting the exciting career opportunities available across different industries.

We'd like to thank Elevate BP and all of the employers who generously gave their time, expertise and support to provide such meaningful placements. Water Safety Information

As the weather warms up, many families will be spending more time near water – whether at the coast, rivers, lakes, or canals. While this can be a great way to enjoy the outdoors, it's important to remember that water can be unpredictable and dangerous.

It's important that everyone is aware of a [few simple steps to stay safe](#):

- Know the risks – conditions can change quickly, and it's easier than you might think to get into difficulty in open water.
- Always supervise children and young people closely around water – even if they can swim.
- Avoid jumping into unknown water – there may be hidden hazards, and sudden entry can lead to cold water shock.
- Teach children what to do if they get into trouble: Float to Live – tilt your head back, keep your ears submerged, relax and gently move your hands and feet to stay afloat while you control your breathing.
- Know how to call for help – in an emergency, dial **999** or **112** and ask for the **Coastguard**.

Talking to children about water safety before visiting any location near water can make a vital difference.

Punctuality Procedures at St Julie's

At St Julie's, we believe punctuality is crucial for a successful and positive school day. Arriving on time ensures every pupil is ready to learn and minimises disruption for all.

Why Is Punctuality So Important?

- Sets good routines for life
- Ensures no learning is missed
- Minimises disruption for others

You can read our [punctuality procedures in detail here](#).

100%	0 days	0 lessons missed
99%	1 day	6 lessons missed
98%	3 days	18 lessons missed
97%	1 week	30 lessons missed
96%	1.5 weeks	45 lessons missed
94%	2 weeks	60 lessons missed
93%	2.5 weeks	75 lessons missed
92%	3 weeks	90 lessons missed
90%	3.5 weeks	105 lessons missed

The Importance of Attendance

In a world where we face a constant barrage of performance statistics it can be easy to think that a figure that's over 90% must be pretty good. With attendance that's really not the case, as you can see in the table above. A student with 94% attendance has missed two full weeks of schools – that's 60 lessons! Remember, school attendance matters.

Register As An Alumnus

Are you a former pupil at St. Julie's? Would you like to join our register of alumni? We're always happy to hear from former students, and we'd love to hear about your progress and life experiences that might be helpful in guiding and inspiring our current students. Even if you'd just like to keep in touch and receive our newsletter, you can [fill in the registration form here](#).

Dangerous parking

Please can all parents be reminded not to park on double yellow lines, zig zag markings or drop their daughter off on the pelican crossing. We are very concerned about the safety of all students. Road safety awareness is delivered through our PSHE programme but it is essential that we work in partnership to maintain the safety of all students. Police Community Support Officers will continue to visit the area and issue fixed penalty notices for obstructing driveways and parking illegally. We have also communicated road safety concerns with local councillors and the highway agencies. The safety of students and pedestrians is paramount.
