

Sixth Form Open Evening!

On Thursday 4th December we're inviting students from Years 10 and 11 and their parents to join us for our Sixth Form Open Evening.

This is a fantastic opportunity to get a good look at our remodelled Sixth Form facilities, talk to staff and students in a focussed, post-16 context, and discover more about the 28 courses we offer and which combinations open doors to different pathways.

We believe your best choice for post 16 success might be right here on your doorstep - don't miss the chance to find out why!

Spanish Students Taste a Disastrous Rehearsal!

On Tuesday we were delighted to welcome Laura and Mariano from the Onatti production company who performed 'Un Ensayo Desastroso' in Spanish to all of Year 8. The fast paced and hilarious play follows auditions for Romeo y Julieta in a small town theatre in Spain. The unfolding chaos sees meltdowns and tantrums, forgotten props, and students drafted in to replace missing cast members! Thank you to the performers for a wonderfully engaging show that the audience thoroughly enjoyed!

U15s Progress in English Schools' Cup!

On Monday night our Y9/10 travelled to Cheshire to face Hartford High School in the third round of the U15s English school's cup. With things all square at the final whistle the teams faced off for a tense penalty shootout. A brilliant save from Peggy saw St Julie's progress to the next round.

St Julie's Hosts DJ Workshop

On Wednesday this week we welcomed in Steve from Creative Score and DJ, Producer and Songwriter A ME B to lead DJing workshops for staff and students from schools across the city. At the workshops the guests were

Whitewash Wins for Netballers!

Congratulations to our Year 7 and 8 netballers who have both celebrated big wins in this week's netball league game! Our teams faced opposition from Holly Lodge Girls' College, and with great team work and spirit our Year 7 team, pictured in green, recorded an 8-0 win and our Year 8 team, in pink, triumphed with a 5-0 win! A special well done goes to Annabelle in Year 7 and Orlaith in Year 8, our respective players of the match.

League Win for 7 and 8 Footballers!

Congratulations to our Year 7 and 8 footballers who celebrated an away win on Tuesday against Archbishop Blanch in the Liverpool League. The match was a nail-biter, with our team falling behind twice before goals from Charlotte redressed the balance. With the score 2-2 at the final whistle, a cool penalty shoot out saw our team progress to the next round!

Meet the Junior 1804 Society!

We are delighted to introduce our Junior 1804 Society student leaders to you and will do so over the coming weeks. The 1804 Society plays a vital role in the life of St Julie's, giving students the opportunity to shape the future of the school and leave a lasting legacy.

Named after the year the Sisters of Notre Dame were founded, the Society connects today's students with those who have gone before, encouraging them to embody the school motto: *"Serve the good God well with much liberty of spirit."* Members take on leadership roles that strengthen our community and ensure student voice is at the heart of school improvement.

This week's Junior 1804 Pen Paragraphs are brought to you by our Vice Presidents Lexi (Year 9) and Ava (Year 11):
My name is Ava , I'm in year 11 and some of my interests are Physics , listening to music and spending quality time with my friends and family. I wanted to join the Junior 1804 Society because I think I am a good representative as I'm confident , independent and kind . If necessary, my form room is A101 and students can find me there if they need any help , guidance or have any questions. Through this role I hope to achieve skills that can help me in my future career, whilst making positive changes.

Hi, my name is Lexi and I'm in 9 Nugent. I wanted to join the 1804 Society as I want to be a positive role model to everyone. I also want to become more confident and communicate with people around me more.

Sixth Form spotlight!

In this week's edition, we showcase three subjects that inspire critical thinking, communication, and cultural awareness.

In *English Combined Language and Literature* and *English Literature*, students explore a rich variety of texts, develop analytical and creative writing skills, and learn how language shapes the world — preparing them for careers in journalism, law, publishing, teaching, and beyond. Texts studied range from *The Kite Runner* to *The Great Gatsby*; *Othello* to Browning and *A Streetcar Named Desire* to *Tess of the D'urbervilles*. If you want to know more about the benefits of studying English, [click here](#).

A level Spanish offers students the chance to master a global language, understand Hispanic cultures, and enhance communication skills, leading to opportunities in translation, international business, travel, and diplomacy. Fluency in a foreign language will open doors to top universities in the UK and will increase your employment opportunities in Britain, as well as in the Spanish-speaking world.

Philosophy and Ethics challenges students to question ideas, evaluate moral issues, and build reasoned arguments, supporting careers in law, politics, education, and social work. To learn more about what you can do with an A level in Philosophy and Ethics, [click here](#).

Across each of these subjects, students gain valuable transferrable skills such as analysis, communication, cultural literacy, empathy, and critical problem-solving — skills that will serve them in any future path.

Year 7 Parents Evening

Thank you to all of the parents and carers who joined us for our parents evening on Thursday this week. The evening gave staff a great chance to discuss progress with parents and we hope you found the event helpful and informative.

NHS Careers Programme

The NHS Careers Untapped programme is a free initiative created by a group of London NHS organisations and NHS England to inspire young people aged 13–19 to explore the wide range of careers available in healthcare. Hosted on the Healthcare Horizons website, it offers podcasts, videos, webinars, and interactive activities that highlight lesser-known NHS roles. This free platform consists of resources which have been designed for young people aged 13 and over who want to learn more about their chosen profession, get university application tips or simply find out more about all the rewarding careers on offer in the health sector. Students can work at their own pace, explore their dream career or access multiple resources to get a greater insight into the health sector. The interactive courses give learners access to helpful resources and the reflective journal allows them to record all key learning points for future reference. [Find out more here!](#)

Toy Appeal for Advent Service

On 10th December, student representatives from St Julie's will attend the Schools' Advent Service at the Cathedral. During the service, they ask for donations of toys for Nugent Care (not wrapped!) If you have any suitable new or unused toys that you wish to donate, please bring them into school and pass to the form charity reps or the chaplain before 10th December.

Year 11 Mock Examinations

Our mock exam season got off to a flying start on Monday with students settling quickly into the examination routine with maturity. At the end of the first week our candidates have been fantastic and we'd like to thank all of the family members who have been providing tremendous support to our candidates at this stressful time.

University offers for Year 13 students

Healthy Schools and Controlling Infection

As we enter the period of seasonal illnesses we're working hard as a school to manage infectious diseases within the school community and following relevant guidelines. You can help to keep your child healthy by [considering this government advice](#). Most mild illnesses - such as a runny nose, sore throat, or slight cough - do **not** require time off school, unless your child has a temperature. There's [more guidance on that here](#). It's always helpful to book medical appointments outside of school hours where possible. Where this isn't possible, they should bring their child to school before, and return after, if they are well enough. Pupils can attend appointments in their school uniform.

Vaccinations are a key line of defence against flu and other preventable illnesses. When children and young people receive all the recommended vaccines in the national immunisation programme, it helps protect their health and support the wellbeing of the whole school community. School Age Immunisation Services (SAIS), commissioned by NHS England, deliver these free vaccinations in schools. This autumn, all school children in England (from reception to year 11) will be offered a [flu vaccination](#) at school. There's more information about vaccination programmes in secondary schools [here](#).

Punctuality Procedures at St Julie's

At St Julie's, we believe punctuality is crucial for a successful and positive school day. Arriving on time ensures every pupil is ready to learn and minimises disruption for all.

Why Is Punctuality So Important?

- Sets good routines for life
- Ensures no learning is missed
- Minimises disruption for others

You can read our [punctuality procedures in detail here](#).

100%	0 days	0 lessons missed
99%	1 day	6 lessons missed
98%	3 days	18 lessons missed
97%	1 week	30 lessons missed
96%	1.5 weeks	45 lessons missed
94%	2 weeks	60 lessons missed
93%	2.5 weeks	75 lessons missed
92%	3 weeks	90 lessons missed
90%	3.5 weeks	105 lessons missed

The Importance of Attendance

In a world where we face a constant barrage of performance statistics it can be easy to think that a figure that's over 90% must be pretty good. With attendance that's really not the case, as you can see in the table above. A student with 94% attendance has missed two full weeks of schools – that's 60 lessons! Remember, school attendance matters.

Recommended Read for December

If you're stuck for reading inspiration why not take a look at our recommended read? This year's recommended reads are all coming from our students, and Amy's recommendation for December is 'Twelve Minutes to Midnight' by Christopher Edge.

Twelve Minutes Till Midnight
Twelve Minutes to Midnight is a historical adventure novel by Christopher Edge, the first in the Penelope Tredwell Mysteries series. The story follows 13-year-old orphan heiress Penelope Tredwell, who writes under the pseudonym Montgomery Flinch for her popular magazine, The Penny Dreadful. When she receives a letter from the governor of the Bedlam madhouse, she's drawn into a real-life mystery where patients write strange visions of the future at twelve minutes to midnight each night.

Register As An Alumnus

Are you a former pupil at St. Julie's? Would you like to join our register of alumni? We're always happy to hear from former students, and we'd love to hear about your progress and life experiences that might be helpful in guiding and inspiring our current students. Even if you'd just like to keep in touch and receive our newsletter, you can [fill in the registration form here](#).

Dangerous parking

Please can all parents be reminded not to park on double yellow lines, zig zag markings or drop their daughter off on the pelican crossing. We are very concerned about the safety of all students. Road safety awareness is delivered through our PSHE programme but it is essential that we work in partnership to maintain the safety of all students. Police Community Support Officers will continue to visit the area and issue fixed penalty notices for obstructing driveways and parking illegally. We have also communicated road safety concerns with local councillors and the highway agencies. The safety of students and pedestrians is paramount.

New for September 2023 is an Education Welfare Helpline. This is available to all parents with attendance queries and is available 9am - 5pm weekdays. You can contact the service on **0151 233 3916**.
