Flying the Flag for St. Julie

In honour of St. Julie's birthday, a team of 12 students and 3 staff are visiting the Heritage Centre in Namur, Belgium, to learn about St. Julie's life and work. The team have visited the Convent of the Sisters of Notre Dame de Namur and the first school that St. Julie founded. Read more about the trip and see some photos in the [full story on our website](#).

The Pilgrims Return!

Rather than sitting around and relaxing after the stress of the exam season, a group of our Year 11 students marked the end of their GCSEs with a trip to Rome! The group visited lots of famous sights, and squeezed in a shopping trip! Find out more [at our website](#).

Farewell and Good Luck!

We'd like to wish a very happy retirement to our longest serving teacher, Mrs Hardiman. As a student at Notre Dame Woolton, Mrs Hardiman watched our previous building being built in the very early 1970s and came back to work in it as a teacher. Her dedication to our school and our students is beyond compare and she has led our students to countless trophies in

Our thanks and best wishes also go to long serving staff members Mrs Wharton, from our administration and later Learning Support team who leaves us after twenty years to a happy retirement, and to our Curriculum Leader for English, Miss Sarson, who leaves us after ten years to take up post helping to develop an international school in Morocco.

Staying Safe This Summer

Although we are all enjoying the current warm weather, please be mindful of some of the dangers that can present themselves in such conditions.

The following links give reminders regarding water safety:

Policy and Strategy Updates

We have recently published on our school website our [Careers](#)

[Strategy Programme for the 18/19 academic year](#), and an updated [Behaviour For Learning](#) Policy.

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school. Written permission from parents/carers is required** for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

In instances where a pupil feels unwell during the school day, they should speak to their Progress Leader at break or lunchtime. The normal expectation would be that, if a pupil has been deemed well enough to attend school, then they ought to remain in school for the full day. Pupils must not use mobile phones to contact parents during the school day to request to be picked up from school. If their Progress Leader deems it necessary for the pupil to be sent home, they will ask the Admin Team to contact parents. Thank you for your cooperation in this matter.

Parking

Can we remind people of the following:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road

- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
