### NSPCC Number Day

Today marks NSPCC number, when school around the country can take part in a maths themed fundraising drive. Here at St. Julie's our Maths department ran a 'millionaire' themed quiz at the start of all lessons, completed on line safety questionnaires and encouraged our Year 7 students to accessorise with a number theme!

### St. Julie's Hosts Physics Lecture

Would you like to learn more about some of the real science behind science fiction? We might have just the thing! On the 8<sup>th</sup> March, St. Julie's will be hosting the Institute of Physics John Porter Memorial Lecture 2018. You can find out more details about this fascinating lecture [on our website](#).

### Sixth Form Interviews Underway

Sixth form interviews are underway at present - if you need an application form you can [get one here](#) - and return it to main reception. In keeping with the Sixth Form theme, last night we enjoyed a great turn out at Year 13 parent

night with some fantastic comments from parents and students.

When we asked the students what they enjoy best about Sixth Form these are some of the things they said:

- I'm taught well
- I feel valued by my teachers
- I am encouraged to make as much progress as possible
- I get great feedback on essays

Parents said:

- Staff are always supportive and want the best for each student
- Excellent communication from school to home
- Couldn't ask for better staff
- Very pleased with my daughter's progress
- My daughter has thoroughly enjoyed her time in 6th form
- My daughter is well prepared to sit her exams - thank you
- Good support from teachers
- She is happy and on target so I am happy
- I'm very happy - she is on target for preferred university place

This suggests they're ready for their forthcoming mocks after half term! Our next parent night for Year 12 is on 22nd March.

## Model Homework From Year 7!

Drama students in Year 7 have produced some outstanding homework while exploring some tense themes. Students have built models realising their vision of 'Darkwood Manor' as part of their work, and have done a fantastic job!

## Dance Masterclass from MD Productions

MD Productions led a workshop this week for students from years 7 -11. Students got the opportunity to watch the company perform and then learn the choreography themselves. Our very own year 7 student Halle performed with the company. Thank you to MD for an amazing workshop!

## Holocaust Memorial Day

January 27th is Holocaust Memorial Day, and our pupils have had the chance to find out more about what the Holocaust was, and why it is so vitally important that we remember it. The photo shows some of the postcards our Year 7 pupils have written to a lady who was saved from experiencing the Holocaust directly by being part of the Kindertransport scheme, but incredibly sadly, her parents were killed in the Holocaust. Our pupils have learned about her experiences and have written to express their thoughts to her. We are now going to post them off and will hopefully get some replies to extend our understanding of this important event even further.
