Winning Lockdown Performance!

Congratulations to Scarlett in Year 9 for winning the Headteacher award for most inspiring performance during lockdown. [Take a look at our very talented performer](#) as she puts her creative feelings into action. Congratulations Scarlett, we are extremely proud!

Art Of Distinction

We're always happy to celebrate great artwork from our students, and even more so when it has been created during a lockdown. Take a few moments to enjoy some of this great artwork that has been created at home by students from across the age ranges. Fair warning to any arachnophobes, there's a realistic looking spider [in the gallery!](#)

Merseyside Police Notice

Merseyside Police have asked all local secondary schools to publicise the following notice, relating to instances of anti-social behaviour around Woolton Village.

"With regards to several and ongoing issues in Woolton village and surrounding areas I kindly ask that communication go out to parents and pupils.

The problems have centred around the square itself, neighbouring woods and the park on Quarry Street. The Police and the local councillors have received numerous complaints of youths causing anti-social behaviour and whilst we understand there may be only a few trouble causers, large groups have been congregating in these areas with reports of street drinking, loud music being played and damage being caused.

This weekend there will be an exclusion zone in Woolton village which gives the Police the power to disperse groups who may be committing or going to commit anti-social behaviour and so we ask that people respect the members of the community and its property and if anyone has any concerns please call Merseyside Police on 101."

Year 10 and 12 Teaching Continues Successfully

The return to school teaching programme for Years 10 and 12 is continuing with lots of positive

feedback from parents and students.

- 85% strongly agreed or agreed that the face to face learning sessions had been very useful.
- 90% strongly agreed or agreed that the work provided will support their daughter
- 95% strongly agreed or agreed that their daughter has sufficient work to support remote learning.
- 97% strongly agreed or agreed that the social distancing measures put in place were very effective.

Well done to all of the students for their continued responsible engagement.

Welcome to Our Newest Students

We'd like to bring our incoming Year 7 students a [short welcome message](#) from Mrs Middleman, our Transition Co-ordinator. Please get in touch if you have any questions for her.

Stars of Lockdown!

Congratulations to all of our Stars of Lockdown this week, and thanks to Amy, Grace and Mollie for sending us some pictures to share!

St. Julie's Y11 Celebration

FOR OUR WONDERFUL
INTAKE OF 2015

Year 11 Celebrate

On Wednesday, 24th June, 2020 all over the city, Year 11 students and their families settled down to watch the Year 11 Celebration service. Delivered via YouTube, it came online at 3:15 p.m. enabling participants to watch it at the same time. With links provided by our Deputy Head Prefects, Layla and Katie, staff reflected on this fantastic cohort of students - the Intake of 2015. Photos from the last 5 years were viewed and there were, no doubt, some squeals of delight at seeing the first day photos from 2nd September 2015! The highlight, though, was the address given by Head Prefect, Gemma, who spoke with passion and common sense - delivering an inspirational speech! The service is still available on the [Chaplaincy website](#).

Get 'Maths Ready' for Year 7!

Students starting with us in Year 7 might like to take the chance to sharpen up their Maths skills with [this free course!](#) The course, offered by Numerise is designed for Year 6 students approaching transition and is free, although registration is required to sign up.

End of Year Reports

All students will receive their end of year report. This will be published in July and will include information on student's academic progress from September 2019 to March 2020. Students will also be commended on any work completed during lockdown. It will not be possible to issue operational grades at this point but baseline assessments will take place in September to identify strengths and any gaps in knowledge and understanding. Year 10 students will receive their mock results in their end of year reports. All curriculum teams have adjusted their curriculum maps to ensure that retrieval and re-connection techniques are used to support student progress.

Half Term 6 Calendar and INSET Days Moved

A printable copy of the school calendar for Half Term 6 (1st June to 17th July) is [available here](#). Planned INSET days have been moved to the 16th and 17th July to accommodate the lesson schedule for Year 10 and 12 students. All events in the school calendar are

subject to change in response to further Government and LA advice on school operations.

Careers Updates

Updates this week include details of some summer support sessions from Liverpool John Moores University and some links for recruitment opportunities with the Royal Navy. You can find [all the details here](#).
