### Welcome Back!

It was a wonderful experience for us to welcome students back to school for their first day on site, and particularly joyous to meet all of our Year 7 students together for the first time. Our youngest students have made a fantastic start to life in St. Julie's and we look forward to their journey through the next seven years!

### Students step up for Covid Testing

Well done to all of the students who participated in the asymptomatic testing for Covid in school on Thursday. The testing team were very impressed with the maturity of our students who showed the benefits of their experience with regular home testing.

### Results Days 2021!

Congratulations to all of our hardworking students who reaped the rewards of their efforts on the results days in the summer. Progression to University courses for our Sixth Form students was excellent this year, with students heading to courses including Sciences, Medicine, Psychology and Law. Read more about our [A Level results day](#) and [GCSE results day](#).

## Transition Summer School 2021

Some of our newest students were selected by their Primary School Teachers to attend a Transition Summer School here at St Julie's. They were able to take part in a variety of activities with the aim of easing Transition into Year 7 after what has been a very challenging year. All of the attending students participated well and a number of new friendships were established. Some of the activities enjoyed by the students were: bread baking, gardening activities to enhance the school grounds and to include some sensory planting, outdoor games including rounders, table tennis, 'Just Dance' which was equally fun to take part in or watch, a Treasure Hunt round the school building, making 'Oatie Bars', art activities including acrylic paints on canvas, and a walk up to the local Walled Garden and Woods via Camp Hill. We also had a few visitors during the week including our School Police Officer PC Mark Patterson who had the girls enthralled with his descriptions of working with the emergency services, and also

representatives from our partner Mental Health Services who led a workshop on managing worries and anxiety. [Check out the photos here!](#)

## Academic Calendar for 2021-22

A print friendly version of the Academic Calendar for 2021-22 has been published for parents and a copy is [available here](#). As you will be aware, events are sometimes subject to change and the most up to date version can always be found in the calendar on our website.

## Liverpool JMU Summer School

Twenty of our Year 12 students were accepted onto LJMU summer school - a fantastic way to find out what university is like! During the summer school students attended virtual lectures and seminars across a range of different disciplines.

## Madi's Adventures in Durham

Madi rounded off Year 11 with a place at the prestigious British Youth Musical Theatre School taking place in Durham. It was a time of long days, busy evenings, new friendships and cancelled trains. You can [read all about it here!](#)

## Remote Education

From September 2021 schools must continue to provide remote education for students who must self-isolate due to Covid-19. A copy of the school policy on Remote Education can be [found here](#).

## National Tutoring Programme 2021-22

We will continue to work with The Brilliant Club Scholars' Programme as part of the National Tutoring Programme. This programme provides bespoke tuition for students in English, Mathematics, Biology, Chemistry and Physics as part of the national catch-up programme following the global pandemic. The impact report from last year was extremely positive and highlighted the importance of using a range of strategies to support progress and enhance students' knowledge and understanding of more complex topics. Further details to follow regarding the application process for this prestigious programme.

## Hope University Open Days

Hope University are now inviting students and parents back on site to visit their campus on one of their forthcoming Open Days - Open Days will take place on the following dates:

## Microsoft Office 365 Licencing

All students at St. Julie's are licenced to install the Microsoft Office 365 suite on up to five computers at home at no cost. You can find out more about how to complete the installation in this [remote learning guide](#).

The image shows a screenshot of a COVID-19 risk assessment document. It is a table with multiple columns and rows, containing text and icons. The title at the top is 'COVID-19 (Coronavirus) Assessment'. The table is organized into sections, likely detailing different areas of the school or home that are being assessed for risk. The text is small and difficult to read, but it appears to be a formal document used for safety evaluations.
