

# St. Julie's Catholic High School

## Weekly Newsletter

Week Beginning 7th April 2018

### Forthcoming dates for your diary...

**14<sup>th</sup> May**

Beginning of Public Examinations

**25<sup>th</sup> May**

Deadline for student finance applications for UCAS course applicants

### Ofsted Report Available to Parents

We're delighted to tell you that we have received the finalised judgements and report from our Ofsted inspection of 18<sup>th</sup> and 19<sup>th</sup> April. We are now able to publish the report to parents but not to put it online until it goes live on the Ofsted website. To enable parents to read it before publication we have given a copy of the report content to each student to bring home today for you to look at. We hope that you'll be very pleased to read it.

### A Cut Above the Rest!

Well done to Eleanor Garner in Year 7 who has had her hair cut very short and donated her ponytail to the Little Princess Trust, and raised an enormous £480 in the process! The charity provides real hair wigs free of charge to children and adults up to the age of 24, who have sadly lost their own hair due to cancer treatment and other illnesses.

### Flying Kites, Not Drones!

Over the last few weeks, Year 7 Science Club students have been following a project organised by Pax Christi and the Quakers called Fly Kites Not Drones. You can read more about how this led to the photo above in the [full story on our website](#).

## Art Students Respond to Hillsborough Visit

Year seven have been busy following the visit to St. Julie's Art department by Hillsborough justice campaigners, Stephen Kelly (brother of Hillsborough victim Micheal), Richie Greaves (Hillsborough survivor) and the artist who created our memorial painting, Phil Garrett. You can view a gallery of their artistic responses [at our website](#).

## Year 11 Masterclasses

Students in Year 11 have received a timetable this week showing a forthcoming series of 'masterclasses' to aid in exam preparation. These sessions will be very valuable and we would appreciate your support in maintaining excellent attendance throughout the weeks to come.

## A Level Students Experience Othello

On Tuesday, Year 12 and 13 English Literature students went to the Everyman Theatre to see their innovative production of *Othello*. The play was a triumph, with Golda Rosheuvel taking the lead role. Her interpretation of the lead character's anguish and descent into a jealous rage was heart-wrenching to see. The students enjoyed the opportunity to see the play in performance. Shakespeare is certainly brought to life when viewed on stage and this will definitely help our students prepare for their Tragedy A Level paper.

## Year 12 Discover the Anthony Nolan Trust

Students in Year 12 have enjoyed a fascinating presentation from the Anthony Nolan Trust.

The presentation explored the purpose of the trust and the importance of its work, as well as dispelling some of the myths about stem cell donation.

## Flying the flag for education in Nicaragua

One of the places the Sisters of Notre Dame work is Nicaragua in Central America. They work in education and have set up schools in the most deprived and challenging of circumstances. There has been recent unrest on the streets of the capital of Managua so as an act of solidarity with everyone working in education over there, students and staff have had pictures taken while holding the Nicaraguan flag. Over 100 students gave up time to come and participate on a windy day. The pictures have been seen by people over there and we know they have been a source of encouragement. Thanks to all involved.

Exam Arrangements and Information

Mrs McCourt circulated some important information last week regarding examination arrangements. The letter for parents of **students in Years 7, 8, 9 and 12** can be [found here](#). The letter for parents of **students in Year 11** can be [found here](#).

## Medical

### Appointments

Parents should always provide an official appointment card or letter from the practice stating time and date of appointment and time out of school should be kept to a minimum - pupils should always attend before an appointment and return to school after an appointment where at all possible. If parents are unable to provide an appointment card or practice letter then parents will either need to collect their daughter in person or office staff will have to contact parents by phone to confirm that they wish for their daughter to leave school. This is part of our safeguarding commitment to all pupils.

### Conference Event for Aspiring Lawyers

The Lawyer Portal have announced details of their forthcoming event in Manchester aimed at those seeking to pursue a career in Law. The Manchester event takes place on Saturday 16th June and tickets are free but must be booked in advance. [More details are available here.](#)

### Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school.**

**Written permission from parents/carers is required** for students to self-administer medicine(s). A Request to Self-

Administer Medication Form must be completed (see Form 7).

### Parking

Can we remind people of the following:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
