Year 7 Party Into The School Year!

There was an unusual after school activity recently for 90 Year 7 students as they enjoyed a Performing Arts Welcome Party. The students had great fun as they enjoyed games, a disco and a talent show. Thanks to all the staff who worked hard to make the party happen.

Year 9 Take TIME on Road Safety

We welcomed Ginificent Productions into school today to perform their road safety play, TIME, to students in Year 9. The play tells the tale of a 14 year old called Jacob who loses his life in a road traffic accident, and demonstrated how a single moment of distraction can have a devastating effect on the lives of many.

Glowfit Lights Up Learning

Year 10 students have had an interesting twist on their PE lessons this week as they introduced Glowfit into their weekly fitness class! The technique involves turning down the room lights and equipping the students with an array of luminescent accessories that make some great patterns as they swing about energetically.

School Council 2018/19

Applications for School Council are now available via Progress Leaders. The deadline for completed applications is Friday 12 October. Whole school voting will take place on Thursday 18 October.

Year 11 Revision packs

All Year 11 students received their GCSE revision packs this week. The pack includes a range of revision materials and after the half-term all Year 11 students will receive a free scientific calculator and a pre-populated USB pen. All students are encouraged to access GCSEPod for additional revision materials. Revision sessions are now well underway and students should be regularly attending to support their preparation for GCSE exams next year.

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school.**

Written permission from parents/carers is required for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

In instances where a pupil feels unwell during the school day, they should speak to their Progress Leader at break or lunchtime. The normal expectation would be that, if a pupil has been deemed well enough to attend school, then they ought to remain in school for the full day. Pupils must not use mobile

phones to contact parents during the school day to request to be picked up from school. If their Progress Leader deems it necessary for the pupil to be sent home, they will ask the Admin Team to contact parents. Thank you for your cooperation in this matter.

Parking

We're delighted that phase two of our building work is approaching completion but we do still have contractors on site completing surface work and line painting. Can we please remind people that:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
