

St. Julie's Catholic High School

Weekly Newsletter

Week Beginning 9th April 2018

Forthcoming dates for your diary...

9th April
Beginning of Summer Term

9th April
Year 10 Mock Exams begin

12th April
Year 9 Parents Evening

Congratulations to Choral Champions!

Congratulations to the members of our Upper Choir for a well deserved first place at the Wirral Festival of Music, Speech and Drama! Congratulations also go to our Lower Choir for an excellent third place and students Anna Ladanowski and Evie Wright for a strong second place in their performance classes.

Shot Success for Student Snappers

You may remember that we showed you some photographs last week taken by our D&T Enterprise group for the South Liverpool Rotary Club Photography Competition. We are delighted to report that we have a winner and a runner-up both from St Julie's! Poppi Thompson was the overall winner and Olivia Fox was a worthy runner-up.

Science Club Get Colourful!

This week the Year 7 Lunchtime Science Club investigated diffusion in a liquid. They put Skittles in a dish and added some water until they were half submerged. You can see the amazing results [in the gallery on our website!](#)

Sixth Form Assembly A Life Saver!

Sixth Form students Olivia, Takunda and Leanne delivered an assembly this morning on the use of paediatric first aid. The students further explored how to use the recovery position and what to do in the event of CPR being required. These are valuable life skills for anyone to have, but we hope they won't be called upon too soon!

The Brilliant Club - Scholars' Programme

A group of Year 7 and 8 students attended The Brilliant Club launch event at the University of Liverpool on Wednesday 21st March. This project will focus on Philosophy. Students will receive support from a PhD Tutor and take part in two-weekly tutorials at St. Julie's.

The level of work is pitched at one key stage higher and students must submit a 1500 word assignment in support of the research project. We wish our students every success on this programme.

Learning to Balance the Budget!

Students have been learning to plan budgets today in a financial management workshop with volunteers from HMRC, Barclaycard and Sopra Steria. Read more about what they studied in [the full story on our website](#).

End Period Poverty Campaign

During puberty, 56% of girls lose confidence. Girls are more likely to blame themselves when something goes wrong, apologise when they give their opinion, over-think decisions and dwell on mistakes. At St. Julie's Catholic High School, we want to equip your daughter with the tools she needs to combat the confidence gap and show the world that doing things #LikeAGirl is amazing. Read more in [this letter from Mrs McCourt](#).

Maths Adds Up For Geographers

Congratulations to Tyler Wilkinson and Lois Bent in Year 11, the winners of the 'MapyMath' Maths in Geography competition. The girls showed great enthusiasm and ability in both their Mathematical and Geographical skills, and excelled in integrating the two disciplines together. Well done!

Sixth Form Hit 'Move It'

Sixth Form Performing Arts students have been exploring higher education options at 'Move It' 2018. Students got the chance to watch performances from students at prestigious schools and discover more about funding opportunities and the experiences of students at lots of different institutions.

St. Julie's Donates 348 Eggs!

Congratulations to our very generous students for donating a total of 348 Easter eggs for the Hope+ Foodbank. The eggs will be distributed as part of the foodbank's ongoing work throughout Easter and will be sure to raise a smile for lots of people.

Welcome to new Parent Governor

We are delighted to welcome Mrs Jayne Cross, to the Governing Body of St Julie's Catholic High School, as Parent Governor to serve a four year term of office. Mrs Cross will join Parent Governor, Mrs Lisa Riccio-Jones, to work in partnership with the Governing Body and Senior Leadership Team as they continue to raise standards and improve outcomes for all children at St Julie's. We wish Mrs Cross well in her role as Parent Governor.

Careers Conference 23rd and 24th March

The 'What Career Live' careers conference is taking place at the Liverpool Exhibition Centre. Tickets are required, and are available free of charge [at this website](#).

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school.**

Written permission from parents/carers is required for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

KS3 Transition Day

We will be hosting a KS3 Transition Day for twenty primary PGCE students from Hope University on Friday 13th April. Students will have the opportunity to shadow a Year 7 student for the day and observe lessons. A training session will also be delivered on transition from KS2 to KS3.

Parking

Can we remind people of the following:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
