Much Woolton Spanish Day

Congratulations to Remi in Year 9 who delivered a powerful speech, coming third in the Archdiocese West Cluster Public Speaking competition. The competition was held at Archbishop Beck Catholic Sports College and there were competitors from six schools in attendance.

Performing Arts Get Balletic!

Our talented performers have thrilled audiences with a delightful interpretation of Tchaikovsky's Nutcracker ballet. Combining the grace of ballet with dramatic narration, talents were stretched to great effect and the resulting performance will be used towards exam work for some of the performers.

Welcome To Our Newest Students

Always a highlight of our academic year, we've been thrilled to welcome our newest students in to their first full day in school for the Year 6 induction day. Students were both educated and entertained, starting the day with some live music in the dining rooms before an assembly with Mr Alderman and some key staff. See the photo gallery in the [full story on our website](#).

St. Julie's Scholars' Programme - The Brilliant Club

The third cohort of St. Julie's students successfully completed The Brilliant Club project and attended their graduation event at the University of Lancaster on Wednesday 4 July. Each student successfully completed a philosophy based project titled, 'Is there an external world?'. A PhD tutor supported each student throughout the project work and provided specific guidance on how to successfully complete a 1500 word assignment. Students worked at one key stage higher than their peers.

Year 10

Humanutopia

Year 10 students experienced a very uplifting day on Tuesday 3 July. Students were involved in a series of workshops throughout the day which focused on self-esteem, confidence, peer groups and motivation. Find out more (and see video!) [at our website](#).

member of staff cannot administer medication for your daughter unless the completed form is returned to school.

Written permission from parents/carers is required for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

In instances where a pupil feels unwell during the school day, they should speak to their Progress Leader at break or lunchtime. The normal expectation would be that, if a pupil has been deemed well enough to attend school, then they ought to remain in school for the full day. Pupils must not use mobile phones to contact parents during the school day to request to be picked up from school. If their Progress Leader deems it necessary for the pupil to be sent home, they will ask the Admin Team to contact parents. Thank you for your cooperation in this matter.

Parking

Can we remind people of the following:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
