Grounds For Success!

The long anticipated second phase of our building work is almost at completion and we hope that you agree that the results have been worth the wait. Students have been quick to take advantage of the expanded recreation areas and the casual onlooker would have no idea that the old school buildings once stood there. You can take a closer look at our **Year 6 Open Evening on Thursday 20th September from 3:30-6:00pm.**

Building Bridges With Summer Work

To make sure students don't get too rusty over the summer we make sure that everybody takes home some bridging work to aid their transition to their new year group. Mr Radburn was delighted with the standard of the work he received with this wonderful colour toning work from students entering Year 8.

The Big Sing Resumes

After six weeks of relative silence our corridors once again echoed to the sound of song as Mr Anderson led the 'First Friday' celebration early on Friday morning. It was standing room only as a civil rights theme was expressed through 'Mine Eyes Have Seen The Glory Of The Coming Of The Lord' and 'We Shall Overcome'

A Great Start!

Well done to all students for such a positive start to the school year. Here's to a busy and productive year!

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school.**

Written permission from parents/carers is required for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

In instances where a pupil feels unwell during the school day, they should speak to their Progress Leader at break or lunchtime. The normal expectation would be that, if a pupil has been deemed well enough to attend school, then they ought to remain in school for the full day. Pupils must not use mobile phones to contact parents during the school day to request to be picked up from school. If their Progress Leader deems it necessary for the pupil to be sent home, they will ask the Admin Team to contact parents. Thank you for your cooperation in this matter.

Parking

We're delighted that phase two of our building work is approaching completion but we do still have contractors on site completing surface work and line painting. Can we please remind people that:

- There is no on-site parking for parents or carers

- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
