St. Julie's Is A Good School

The judgements are in, and we're very proud to tell you that St. Julie's has been determined to be a good school with outstanding features! Thanks to the hard work of all members of our school community, St. Julie's has been judged as a good school with outstanding Leadership and Management and Pupil Welfare. Rather than us extracting quotes, we'd love you to take a few minutes to read the report findings in full. You can [download a copy here](#).

Spotlight On Theatre!

Over the past 2 weeks, Year 12 and 13 have had a busy time at the theatre. They have seen a real mix of performance from the 'Liverpool Everyman and Playhouses', 'Othello' and 'A Clockwork Orange' as well as 'Boisterous', 'Bouncers'. They even got to experience what happens in theatre when a lead actor is injured and there is no understudy!

English Masterclass for Sixth Form Students

Year 12 English Language students enjoyed a Masterclass delivered by Dr Alex Baratta of the University of Manchester. The presentation and interactive workshop included thought-provoking discussion on accentism, language and identity and accent preference. We look forward to seeing Dr Baratta again..

Public Exams Begin

Although some candidates have already been completing assessments, the public exam season begins in earnest on Monday 14th May. We have sent through lots of advice and information over recent weeks which can all be found in the parents notices section of the school website. One final reminder is the critical importance of attendance and punctuality throughout the exam season. We would greatly appreciate your continued support in the weeks ahead, and Year 11 students should be aiming to arrive early to enjoy their free breakfast!

Sixth Form Dance Showcase

A wonderful evening of entertainment is open to you on Monday 14th May at 6pm in the Dorothy Stang Theatre, featuring performances from the musical 'Chicago'.

Year 11

Masterclasses

Students in Year 11 have received a timetable this week showing a forthcoming series of 'masterclasses' to aid in exam preparation. These sessions will be very valuable and we would appreciate your support in maintaining excellent attendance throughout the weeks to come.

Medical

Appointments

Parents should always provide an official appointment card or letter from the practice stating time and date of appointment and time out of school should be kept to a minimum - pupils should always attend before an appointment and return to school after an appointment where at all possible. If parents are unable to provide an appointment card or practice letter then parents will either need to collect their daughter in person or office staff will have to

contact parents by phone to confirm that they wish for their daughter to leave school. This is part of our safeguarding commitment to all pupils.

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school. Written permission from parents/carers is required** for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

Parking

Can we remind people of the following:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
