Eminent Professor Visits for Maths Workshop

Mathematicians in Year 10 have enjoyed a workshop with Professor Peter Giblin, emeritus professor of mathematics at the University of Liverpool. The workshop was organised through the London Mathematical Society and during the session students explored the algebraic methods to prove why and how certain calculations were linked to multiples of 9.

GCSE Pod Launches

We've been very excited to launch a new learning resource to students this week for our GCSE Pupils. GCSE Pod offers a customisable menu of helpful podcasts with apps available for many phones as well as website access. You can [learn more here](#).

St. Julie's Scholars' programme - Medics Talk

On Thursday 15th June a group of junior doctors will deliver a two hour medics presentation from 2pm at St. Julie's. The session will include: entry requirements to study medicine at university; the application process; medical ethics; the importance of work experience and expectations of the degree course. If your daughter would like to attend the presentation she must see Mrs McCourt for further details by Friday 26 May.

Parking

Can we please appeal again to all parents and carers who bring cars to school to park safely and considerately. As our new building approaches completion the number of contractors working on site is rising with extra parking demands. Please take care when moving your vehicle near school.
