Open Evening

Year 8 Consider Their Options!

On Thursday evening this week Year 8 students and their parents joined us for a combined Parents Evening and Options Evening event. With the Sports Hall committed to examination seating, our subjects marketplace was held in rooms along a corridor that allowed students to take a whistlestop tour of the whole curriculum offer. Thank you to all of the parents and carers who supported their daughters by attending. A copy of the options booklet [can be found here](#).

Well Done to LAMDA Candidates!

Well done to 9 of our students across Years 8-13 who completed their LAMDA acting exam in school on the 2nd June. The examiner commented on how talented the students were and said they were extremely professional! Good Luck to our remaining 42 students who will complete their exams in July.

'The Big Future' National Survey

The Children's Commissioner, Dame Rachel de Souza, has issued a reminder of the national survey she has opened to hear the views and experiences of young people from across the country. The survey is open to children and young people of all ages, and you can [find the survey here](#).

Project Teens Launches in June

Project Teens is an event aimed specifically at neurodivergent teenagers that will be happening at **Central Library on Friday 26th and Saturday 27th June** in collaboration with the Brain Charity and Liverpool Family Hubs. This event brings together all of the most accessible extra-curricular provision for neurodivergent teens in one place to offer **2 days of free workshops** which young people can sign up to. The event includes comic book making/illustration, performance, music, comedy, 3D printing and much more. In order to sign up to any of the free workshops, young people just need to visit the event webpage below and complete the form at the bottom, selecting between 1-4 workshops they would like to attend. Places are limited, so signing up early is recommended. [Find out more and sign up here.](#)

UCAS

UCAS Launch for Year 12 Students!

Year 12 students have now begun their UCAS journey, marking the

start of the university and higher education application process. UCAS is the system through which students apply for undergraduate courses at universities and colleges across the UK. Over the summer, students should be working on key aspects of their application, including researching courses, refining their choices, and beginning to draft their personal statements. Taking advantage of this time will help ensure they are well prepared for the application deadlines in Year 13. We are pleased that many of our Year 12 students have already been proactive in researching and booking Open Days with higher education providers. Visiting universities and colleges gives students valuable insight into courses, facilities, accommodation, and student life, helping them make informed decisions about their future study options. A visit to Wrexham university is planned for early July to further assist students in the decision making process.

Food Students Sample Crunchy Protein Source

Food students in Year 7 enjoyed exploring some exotic food on Thursday this week – dried insects! Insects are a popular treat in some countries, and food scientists are actively seeking to harness the potential of insects as a sustainable source of protein that requires far less agricultural resources than more familiar sources of meat. The students boldly sampled the dried, food-grade, insects with an open mind. We're not sure how many of them will be regularly swapping their chicken nuggets for mealworms though!

Year 12 HE+ Cambridge Residential

From 8th–9th July, Year 12 students from across the city will be taking part in the HE+ Residential at the University of Cambridge. HE+ is a programme designed to support high-achieving students in exploring opportunities at highly selective universities, including Oxford and Cambridge, whilst developing their academic confidence and aspirations. The residential visit provides students with a valuable insight into university life, allowing them to experience studying and living in a college environment, attend academic sessions, and meet current undergraduates. This experience helps students make informed decisions about their future pathways, strengthens their university applications, and encourages them to consider a wide range of higher education opportunities. We look forward to hearing all about the experience on their return!

Reflections in Verse

At our school we have some fantastic creative writers, including many students who write for pleasure, independently of their school work. This week we'd like to bring you a poem from Eliza in Year 7, who penned a collection of 10 poems about mental health in a volume she named 'stay strong'. Poem number 9 is called "You Matter".

*You matter more than you can see,
More than doubt, more than anxiety.
Your laugh, your years, your quiet ways,
They leave their mark in unseen ways.*

*The world is changed by who you are,
Even when you feel subpar.
Your presence sings a vital song –
Please believe it. Stay strong.*

Year 10 Work Experience Update

Preparations for Year 10 Work Experience are progressing well, with Elevate BP currently finalising the necessary health and safety and insurance checks for placements. Once this process is complete, individual job descriptions will be sent to Mrs Jones and Miss Homer for distribution to students. We are incredibly excited for this year's cohort to take part in their work experience placements. This valuable opportunity allows students to gain first-hand insight into the world of work, develop key employability skills, and explore potential career pathways. We look forward to hearing about their experiences and seeing the confidence, independence, and professional skills they develop.

Youth SVP Cake Sale: Tuesday 15th June

On Tuesday 15th our Youth SVP group are holding a cake sale at breaktime raising funds for Mary's Meals, a global charity that serves life-changing school meals to some of the world's poorest children. Students can keep a look out in the

 Art Exam requires a full day - being arranged separately
 Drama completing devised drama exam rather than a mock all day on Wednesday 1st July

Year 10 Mock Examinations

The schedule for mock exams for Year 10, commencing on 19th June, is shown above. Individual timetables will be provided to candidates prior to the start of the exam weeks.

canteen in the coming weeks for information stickers what this charity is all about. Students who wish to buy cakes on Tuesday are advised to bring a small amount of cash into school.

Water Safety Information

As the weather warms up, many families will be spending more time near water – whether at the coast, rivers, lakes, or canals. While this can be a great way to enjoy the outdoors, it's important to remember that water can be unpredictable and dangerous.

It's important that everyone is aware of a [few simple steps to stay safe](#):

- Know the risks – conditions can change quickly, and it's

easier than you might think to get into difficulty in open water.

- Always supervise children and young people closely around water – even if they can swim.
- Avoid jumping into unknown water – there may be hidden hazards, and sudden entry can lead to cold water shock.
- Teach children what to do if they get into trouble: Float to Live – tilt your head back, keep your ears submerged, relax and gently move your hands and feet to stay afloat while you control your breathing.
- Know how to call for help – in an emergency, dial **999** or **112** and ask for the **Coastguard**.

Talking to children about water safety before visiting any location near water can make a vital difference.

Summer Skills development with Springpod

As students begin planning how to make the most of their summer break, we encourage them to explore the wide range of virtual work experience opportunities available [through Springpod](#). Springpod offers students the chance to gain insight into a variety of industries and career pathways through interactive online programmes developed in partnership with leading employers and universities. Registration is completely free, and students can create an account to access opportunities that match their interests and future aspirations. Virtual work experience is an excellent way to develop career awareness, build employability skills, and strengthen future applications for university, apprenticeships, and employment. Taking part in programmes over the summer can help students make productive use of their time, explore

potential career options, and gain valuable experiences that can be added to personal statements, CVs, and application forms in addition to linking classroom learning to the world of work.

Support Services from River Young People

River Young People Support Services provides free and confidential support for young people impacted by drug or alcohol use. They work closely with schools to offer accessible, student-centred support and aim to make referrals and engagement as straightforward as possible, whether they are using substances themselves presently or in the past – or feel effected by someone else's substance misuse. You can find [more information here](#).

Responsible Parking

Please [click here to read a copy of a letter](#) circulated by Mrs McCourt last week referring to parking and stopping whilst picking up and dropping off students.

Punctuality Procedures at St Julie's

At St Julie's, we believe punctuality is crucial for a successful and positive school day. Arriving on time ensures every pupil is ready to learn and minimises disruption for all.

Why Is Punctuality So Important?

- Sets good routines for life
- Ensures no learning is missed
- Minimises disruption for others

You can read our [punctuality procedures in detail here](#).

100%	0 days	0 lessons missed
99%	1 day	6 lessons missed
98%	3 days	18 lessons missed
97%	1 week	30 lessons missed
96%	1.5 weeks	45 lessons missed
94%	2 weeks	60 lessons missed
93%	2.5 weeks	75 lessons missed
92%	3 weeks	90 lessons missed
90%	3.5 weeks	105 lessons missed

The Importance of Attendance

In a world where we face a constant barrage of performance statistics it can be easy to think that a figure that's over 90% must be pretty good. With attendance that's really not the case, as you can see in the table above. A student with 94% attendance has missed two full weeks of schools – that's 60 lessons! Remember, school attendance matters.

St. Julie's Alumnus

Register As An Alumnus

Are you a former pupil at St. Julie's? Would you like to join our register of alumni? We're always happy to hear from former students, and we'd love to hear about your progress and life experiences that might be helpful in guiding and inspiring our current students. Even if you'd just like to keep in touch and receive our newsletter, you can [fill in the registration form here](#).

Dangerous parking

Please can all parents be reminded not to park on double yellow lines, zig zag markings or drop their daughter off on the pelican crossing. We are very concerned about the safety of all students. Road safety awareness is delivered through our PSHE programme but it is essential that we work in partnership to maintain the safety of all students. Police Community Support Officers will continue to visit the area and issue fixed penalty notices for obstructing driveways and parking illegally. We have also communicated road safety concerns with local councillors and the highway agencies. The safety of students and pedestrians is paramount.

Education Welfare Helpline

New for September 2023 is an Education Welfare

Hub Of Hope

[The Hub of Hope](#) is the UK's leading mental health support database. It is provided by national mental health charity, Chasing the Stigma, and brings local, national, peer, community, charity, private and NHS mental health support and services together in one place for the first time.

Parent Chat Live

[Action for Children Parent Chat](#) is a free and confidential live chat with a qualified parenting coach in the UK. Staff are there to talk about family life, caring for children or managing your wellbeing as a parent. The chat service is a safe space for a parent to share their concerns. There will be someone to listen, take time to understand a parent's situation, and work with the parent to find possible solutions. If appropriate, they may suggest ideas for where to get extra support.

Liverpool Citizens Support Scheme

If you find yourself in crisis you can apply for support to get food and basic necessities for you and your family including gas and electric vouchers (urgent needs) and furniture and household essentials (home needs).

An emergency or crisis might be a fire or flood, or you have had to move due to violence or fear of violence, or you are leaving care or prison and need support to stay in the community. There are [more details available here](#).

Neglect

Everyone deserves to feel safe, cared for, and to have their basic needs met. Being taken care of means that someone is giving us what we need physically and emotionally, as well as making sure individuals are getting an education and access to things like the doctor when needed. If you are struggling; or you think someone you know is being neglected, then it's important to get support. Click here [Neglect | Childline](#) to learn more about
