All students return to school

Congratulations Year 11

This week saw a welcome return for our Year 11 students in a celebration of all that they have achieved so far at St. Julie's! Students joined together with staff at the end of the school day for a nostalgic reflection of their life at St. Julie's during a beautiful ceremony in the school Chapel. Master Kitchencraft for Summer Bake Off

Some of our hugely talented Year 8 bakers have been pitting their skills against each other in a Summer Bake Off! The challenge facing the bakers was to produce either one large cake or a plate of small cakes suitable for a summer event. The students did not disappoint, producing a dazzling array of beautifully crafted cakes. Lick your lips and enjoy the [photo gallery](#).

A Wizard Performance in Year 10 Spelling

Year 10 have been working on their literacy in the Geography spelling bee! Students were tested stretching their spelling skills on some geographical vocabulary. Congratulations to our two very worthy winners, Poppy and Libbi.

It's Prom Night!

Students in Years 11 and 13 have enjoyed dressing to impress for an evening of celebration in their respective Prom nights! Find out more and see some photos in [the full story](#).

Rewards Trip To The Woolton Picture House

Students took over Woolton Picture House on Wednesday afternoon! They spent the afternoon laughing, clapping and cheering on the pug 'Patrick'. This trip was to reward KS3 students on their good attendance. Well done to all those who were selected for their dedication throughout the year.

Humanities Field Trip To Speke Hall

On Thursday the whole of Year 7 visited Speke Hall with the Humanities faculty to put into practice some of their geographical and historical enquiry skills. Pupils spent time investigating the significance of the River Mersey

location for Merseyside and Liverpool Airport for their Geography focus, and also had a session finding out about the history of Speke Hall and its grounds as an example of Tudor architecture for their History session.

Towering Success in Science Club!

Science club students flexed their engineering muscles this week in a team work challenge!

Each team was given a set of everyday materials including card, drinking straws, paper clips, craft sticks, plastic spoons and paper cups and were challenged to build the biggest tower they could using only the materials given. The teams worked amazingly well together, with each team member actively solving problems as they arose. Our loudest cheer is saved for Team 1 who managed to use all of the materials in their pack to create a structure 84cm tall. Well done!

Congratulations to more new Graduates!

We'd like to offer our congratulations to some more recent graduates, with former pupils Molly Tully, Lauren Shillcock and Lauren Cheong all gaining 2:1 degrees. The students graduated in, respectively, Creative Writing and Drama (LJMU), Maths (LJMU) and English and History (University of Liverpool). Well done!

Policy and Strategy Updates

We have recently published on our school website our [Careers](#)

[Strategy Programme for the 18/19 academic year](#), and an updated [Behaviour For Learning](#) Policy.

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school.**

Written permission from parents/carers is required for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

In instances where a pupil feels unwell during the school day, they should speak to their Progress Leader at break or lunchtime. The normal expectation would be that, if a pupil has been deemed well enough to attend school, then they ought to remain in school for the full day. Pupils must not use mobile phones to contact parents during the school day to request to be picked up from school. If their Progress Leader deems it necessary for the pupil to be sent home, they will ask the Admin Team to contact parents. Thank you for your cooperation in this matter.

Parking

Can we remind people of the following:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road

- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
