

# St. Julie's Catholic High School

## Weekly Newsletter

Week Beginning 16th September 2019

### Forthcoming dates for your diary...

**19<sup>th</sup> September**  
Open Evening  
4-6pm

**26<sup>th</sup> September**  
Year 11 Prefects  
Inauguration

### Students Perform at Marie Curie Service

Members of our school choir performed at the Marie Curie service of remembrance at St James Church in Woolton this weekend. The service supports both the patients of the Marie Curie Hospice and all the families and relatives affected by cancer. Thanks to Ruby, Grace, Lexi, Alexia, Ella, Kelly, Isabella, Charlotte, Lara, Anna and Evie for giving so generously of their time and talents.

### Year 11 at the Theatre

Year 11 students visited the Liverpool Empire Theatre on Tuesday evening to watch a wonderful performance of 'Blood Brothers'. To be able to see it live has really enhanced knowledge of plot, characters and themes, and will prove an extremely useful revision tool! Well done to our students for being fantastic representatives of our school.

### Grand Designs

Visitors to the Chapel this week may well have noticed a few extra features which include the installation of new items and new presentations of some of the existing artefacts in our collection. New items include a ceramic chalice, paten and ciborium generously donated by Sister Margaret Walsh. You can read more in [our full story](#).

### Best Foot Forward!

This week the corridors have been bustling after school with performers preparing for 'Rock of Ages' auditions! Parts in the Christmas production have seen a huge demand, and students used every space they could find to polish and finesse their performances before they step in front of the casting judges. Keep checking back for casting information!

### Student Photographs

#### Available for Purchase

We have now circulated order envelopes with proof prints from the photographers which your daughter should have brought home. You are under no obligation whatsoever to buy, but if you would like prints for yourself or extended family the order deadline date is the 27<sup>th</sup> September. We strongly suggest that the quickest and easiest way to get your photos is to order online where you will find a broader choice of products including options to purchase a digital download.

### Safeguarding: Domestic Abuse

Please see the safeguarding pages of our website for a bulletin update about [signs of Domestic Abuse](#).

### Target Setting

Year 7 to 13 Target Setting letters for 2019-20 will be posted home to all parents next week.

### Scholars Programme

Students will receive their certificates on Monday 16 September from 3pm in the Conference room. Well done to all students involved in the programme for their fantastic achievement.

### In-School Sickness

We have a system in place in school to support students that are feeling unwell. Pupils must not phone or text home and arrange to be collected and parents should only arrive at school to collect a sick child once they have spoken to relevant staff in school. In any instances of sickness or more general upset, pupils must report to staff for assistance and cannot under any circumstances remove themselves from lessons and remain unsupervised. Pupils contacting parents themselves usually causes unnecessary worry and distress to parents. Parents arriving at school unannounced cannot always be seen by staff and may have to wait before being able to take their daughter home, if this is what they wish to do. We would ask that parents/carers support the school with this system.

May we further remind parents that as well as contacting school on the day of each absence, students should be provided with a written note from parents on their return to school.

### Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school. Written permission from parents/carers is required** for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

In instances where a pupil feels unwell during the school day, they should speak to their Progress

Leader at break or lunchtime. The normal expectation would be that, if a pupil has been deemed well enough to attend school, then they ought to remain in school for the full day. Pupils must not use mobile phones to contact parents during the school day to request to be picked up from school. If their Progress Leader deems it necessary for the pupil to be sent home, they will ask the Admin Team to contact parents. Thank you for your cooperation in this matter.

## Parking

Can we please remind people that:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
