Year 10 Explore Their Sense of Self with Humanutopia

We were delighted to welcome the team from Humanutopia back into school this week for a whole day workshop with Year 10. The workshop encouraged the students to explore who they are, how they came to be that person, and who they want to be going forwards.

Feedback from the students was very positive, with the event being described as "a breath of fresh air", "exhilarating" and "just what I needed to move forwards positively". Progress Leader, Mrs Navarro, said "It was wonderful to see the students communicating positively and feeling empowered. Thank you to Humanutopia for delivering the event and to all of the students for choosing to engage so well with it."

The students also made their voices heard on Instagram, with comments including "Thank you for letting us all have an amazing, emotional and entertaining day and this has already made a huge impact on our year group", "Thank you for today Steve and Bradley – I think the whole year reflected on a lot and will take everything on board" and "thanks for coming in and making me sob – I enjoyed it!"

Creative Writers Published

We've got news of more creative writers being published this week! Twenty of our students who entered the 'Trapped' short story writing competition have had their work selected for publication. Congratulations to all of the talented writers!

Dance Workshop With Former Student

Workshop week continues as we celebrate in Artsmark Week. We were delighted to welcome back former student Izzy who is studying at LMA and returned to share her new knowledge and experience with our Sixth Form students.

Covid Reporting

Please continue to review the [information sent out each week in the bulletin](#) with regard to the importance of notifying school immediately if your child tests positive for COVID-19. Please continue to contact school in any of the normal ways - the main switchboard (0151 428 6421) during working hours; or reception@stjulies.org.uk or safeguarding@stjulies.org.uk for out of hours notifications. School have taken all reasonable steps to raise awareness of this. Thank you.

Celebrating Artsmark Gold!

Earlier this year we were successfully reaccredited in the Artsmark Gold award and this week we have joined other schools across the nation in celebrating our achievement! We've posted a new story every day on our website, and you can catch up on them all by following the links for [day one](#), [day two](#), [day three](#), [day four](#) and [day five](#)!

Taster Tuesday!

This year, we are taking our Taster Tuesdays online! Each week, a subject that you could study at A Level is being showcased. So far, we have looked at Geography, History, Politics and Travel and Tourism. Don't worry if you missed these – they are all on the VLE. If you log on and go to KS45 Transition, all the subjects will be in there. Each Tuesday we will release a new one. This week is RE. These presentations look at what a typical lesson would be like at A Level. They also give you an insight into what courses you could do at university with the subject, or what careers they can lead into. We have some new subjects you won't have studied before on offer and of course all your favourites. Spend a few minutes and have a look. You can also ask the subject teachers about these courses too. The 6th form application process will start in January 2021.

Year 7 Homework

Timetable 2020-21

We'd like to take this opportunity to congratulate Year 7 who have started this term off fantastically as they have all settled into their new sets well and are enjoying getting to know their new teaching staff. They have received a copy of their [new homework timetables](#) which will indicate which subject has set homework each day and the pupils should be completing nightly. P Band is Nugent, Therese and Rigby and Q Band is Dorothy, Arrowsmith and Maria. The pupils should be completing around 1-2 hours of homework per evening. Please ensure that they are recording homework in their

homework diary in order to keep themselves organised.

Year 9 Parents Evening

Unfortunately, due to Covid restrictions and the national lockdown, we are unable to host Year 9 Parents' Evening as planned on Thursday 19 November. Your daughter will receive her termly report by this date and this will provide key pieces of information relating to her current academic progress, achievements, behaviour and attendance. Telephone calls and virtual meetings will be available for those who wish to discuss progress with teachers, with booking for telephone appointments going live via the school website on Wednesday.

Odd Socks for Anti-Bullying Week

St. Julie's will be supporting anti bullying week from Monday 16th November to Friday 20th November in school. Each year group will receive anti bullying assemblies, activities and each form class will be making an antibullying pledge to be shared across the school. Year 7 will be showing their support by wearing odd socks and making a £1 donation which can be paid via parent pay. Please encourage your daughter to get involved and show her support. Year 7 will also be given the opportunity

to enter an anti bullying poster competition. Entries open on Monday 16th November and close on Friday 20th November. The winning design will win a prize and will also have their poster printed as our official school anti bullying poster, which will be placed around the school. Good luck Year 7!

National Tutoring Programme

We have secured a significant number of places on the National Tutoring Programme and will be partnered with the Tutor Trust and the Brilliant Tutoring Programme. KS4 tutoring will start from January and KS3 from April. We also have a range of in-house tutoring programmes currently in place across each year group.

Careers Updates

This week it's all about exploring what different careers really involve. We've got details of a raft of virtual career days with work experience, a fascinating online lecture in Mathematical Sciences and a creative arts event from University College St Helens. We've also linked to [Medical Mavericks](#), a fantastic site for those seeking to take their first steps in a career in Medicine (and their parents!) Find the [latest updates here](#).

Remote Learning Programme

As we continue to develop our remote learning programme for students who are required to self-isolate, we have implemented the following updates:

- Lesson by lesson resources mapped against the current curriculum
- Lesson plans and resources adhere to the school's learning and teaching policy
- Updated VLE server with an improved communication system and interactive software

- Access to e-books to develop students' learning
- Use of Microsoft Teams in lessons - students can dial into some lessons and listen to the audio and resources. Subject teachers will confirm via email and provide information on how students can access the lessons. Lessons have also been recorded for students to refer back to at a later date
- Updated [remote learning policy](#)
- Ongoing training and professional development for staff to deliver high quality remote learning resources
- Instant feedback and assessment via MathsWatch and Educake
- Updated podcasts and introductory videos

Microsoft Office 365 Licencing

All students at St. Julie's are licenced to install the Microsoft Office 365 suite on up to five computers at home at no cost. You can find out more about how to complete the installation in this [remote learning guide](#).

School Bus Service

Can we please remind parents and students of the vital importance of wearing masks on public transport and adhering to the [previously published requirements](#) for use of the school bus service.

COVID-19 (coronavirus) absence: A quick guide for parents / carers	What to do if...	Action needed	Back to school
My child has COVID-19 symptoms	Child doesn't attend school	Child must get a test	When child has been tested and has been without a fever for at least 48 hours
My child tests positive for COVID-19 (coronavirus)	Child doesn't attend school	Child must get a test	When child has been tested and has been without a fever for at least 48 hours
Someone in my household has COVID-19 symptoms	Child doesn't attend school	Child must get a test	When household member tests negative, and child does not have COVID-19 symptoms
Someone in my household has tested positive for COVID-19 (coronavirus)	Child doesn't attend school	Child must get a test	When child has completed 14 days of self-isolation, even if they test negative

Covid related absence, which has some helpful links in too.

Covid-19 Information and Risk Assessment

Please click here to see a letter from the Headteacher with advice about Covid-19 in the new school year. All parent/carers can access the school's Covid-19 risk assessment [here](#).

Year 9 PE Day - Every Tuesday

Every Tuesday Year 9 students will have PE lessons at least twice during the day. To reduce changing time Year 9 students can come to school in their PE kit. This rule only applies to Year 9 students. All students must only wear their St. Julie's PE Kit.

Parking

Can we please remind people that:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking.

There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
