### Welcome to our Newest Students!

We had an exciting time this week when we got to meet our new Year 7 for September for the first time! It is always a highlight of our school year to welcome our newest students together as a year group for the first time, giving them a chance to meet us and each other! We took all of our new students up to the Chapel to learn some new songs with Mr Anderson, whilst parents went to the theatre to hear some important information that they need to know from Sr. Margaret and Mrs McCourt, and ended the evening with a rousing performance of 'Qu'il Est Bon!' in the Chapel that was broadcast into the theatre on the big screen for parents to enjoy.

### St. Julie's shortlisted for Spirituality Award

### Dancers Dazzle at MDI Showcase!

## Warm Welcome for Christ the King

### Pupils

It's always a pleasure to welcome visitors to St. Julie's, and this week the Design and Technology department hosted Year 5 pupils from Christ the King Primary School on a visit. Pupils were given the opportunity to participate in a CAD/CAM activity that enabled them to manufacture an acrylic ruler that they were able to package using a card net that they designed.

## CSE Awareness Day

The 18th March marks an awareness day for Child Exploitation and at St. Julie's we're doing our part. Throughout this week we've been running a poster campaign in school to raise awareness and signpost students to information on sites like [STOPCSE](#), as well as running banners on our website and large display screens. All students will be given a pocket card with information and will see a short presentation in Form or assembly time.

For further information you can look at the Department for Education's [campaign website](#), the excellent advice on the [NSPCC website](#), or of course the ['safeguarding' section](#) of our own website, which includes [this helpful resource](#).

## Chat App Alert

Please be aware of the rise in popularity of a number of apps - in particular two named Roblox and Omegle - which have as their selling

point that they allow people to chat (including video) chat with complete strangers. Such apps pose obvious safeguarding risks to young people and we would ask that all parents and carers continue to regularly monitor their children's use of their smartphones and other devices used to access the internet.

## Year 10 Mock Exams

Year 10 mock exams begin on the week commencing 09/04/2018. Good luck to all students.

## End Period Poverty Campaign

Information will be posted home to parents next week to promote this very important campaign. All female staff will be issued with 'Well Being' boxes so that students can discreetly access free sanitary products. More details to follow.

## Reports

Year 7, 8, 9, 10 and 13 DP02 reports will be posted home next week.

## Pi Day!

Mathematically minded people will be happy to hear that we celebrated 'Pi Day' this week in our Maths department with some mind-stretching dingbats. Why not [have a go yourself](#).

## Simply Brilliant!

Our Brilliant Club members have gathered this week for a briefing on what will happen when they meet their PhD tutors for the launch event on Wednesday 21<sup>st</sup> March. They students are completing a philosophy based project titled "Is there an external world?".
