Year 13 French Students Experience Paris

Year 13 French students have had an incredible experience discovering Paris. Bridie Nesbitt-Scott said: "The chance to participate in the French way of life has been exhilarating for us with our French skills being truly exercised as we walk through the streets of Paris." You can read more about their experience and see some photos [on our website](#).

Drum Workshop With Jeff Rich

Year 8 students moved to a new beat this week as they enjoyed a drum workshop with Jeff Rich, former drummer of Status Quo. The 100 minute workshop explored the history of percussion and included some very lively audience participation sessions! You can read more about it and see photos and video [on our website](#).

Could you be a Foster Parent?

Liverpool has over 1,200 looked after children. Could you foster one? As well as being paid, foster carers are exempt from Council Tax and get free Lifestyles Gym Membership. Full training and support is given. Liverpool City Council are actively looking to find new carers. Learn more at Liverpool's [fostering website](#).

A Great Win for Year 7 Netballers

Congratulations to the Year 7 netball team for a thumping victory this week against Archbishop Blanch! Under the watchful eye of a very proud Miss Moorcroft, Hannah, Libby, Rebecca, Jennifer, Cai, Alex and player of the match Charlotte skilfully played to a 9-1 victory. Well done to the team and we look forward to future results!

Celebrating Talents

This week our Performing Arts Ambassadors have been leading the way with their inspirational assembly based on talents. They have shared their message of having a dream and working hard to achieve it, by using their own talents in dance, drama and singing to do so. Well done to our ambassadors who are standing proud as Performing Arts role models!

Anti-Bullying ambassadors

A number of our students across Years 8, 10 and 12 have recently been trained as anti-bullying ambassadors. As this week has been National Anti-Bullying week, the girls have delivered an assembly to Year 8 students and conducted a range of 'drop-ins' to other Year Groups to help raise the

profile of their work. Their key messages are that:

- Bullying is NOT just a 'normal' or unavoidable part of life
- Everyone has a responsibility for preventing bullying
- Staff in school are trained in how to support students who worry that they or others may be victims of bullying and always be approached to help out
- Instances of bullying at St Julie's are very rare!

The girls will continue to deliver assemblies throughout the rest of November and into early December.

Year 10 Parents Evening

Thank you to all of the parents who came to the Year 10 parents evening for helping to make it such a positive event. The support of parents is always appreciated, and engagement at this stage of the Key Stage 4 course is particularly valuable. Our 1804 Society greeters were certainly kept busy with the huge numbers of parents in attendance!

'Elevate' Activities for Year 10 and 11 students

Throughout this half term we will be running a number of activities with 'Elevate' a national educational advisory service. You can find out more about what is happening in letters circulated this week to parents of students in [Year 10](#) and [Year 11](#).

St. Julie's Represented at City Service

Following our own St. Julie's Service of Remembrance, two of our 1804 Society students represented us at the City of Liverpool Commemoration and Remembrance Service on the 100th anniversary of the signing of the Armistice on Sunday, 11th November. Read [the full story here](#).

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school.**

Written permission from parents/carers is required for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

In instances where a pupil feels unwell during the school day, they should speak to their Progress Leader at break or lunchtime. The normal expectation would be that, if a pupil has been deemed well enough to attend school, then they ought to remain in school for the full day. Pupils must not use mobile phones to contact parents during

the school day to request to be picked up from school. If their Progress Leader deems it necessary for the pupil to be sent home, they will ask the Admin Team to contact parents. Thank you for your cooperation in this matter.

Parking

We're delighted that phase two of our building work is approaching completion but we do still have contractors on site completing surface work and line painting. Can we please remind people that:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
