Saturday 13th May

End of Summer Term for Students
Friday 14th July 2017

Start of Autumn Term for Students
Monday 18th September 2017

Foundation Day Service 2017

Our school community gathered today at Hope University Chapel to celebrate Foundation Day, with a theme of 'people who move' to recognise our transition to a new building. You can find out more about the joyful service and view the photo gallery at the [full story on our website](#).

The Easter Passion

As we approach our final Easter within our current school buildings, the school community has explored the Easter story by honouring the Christian tradition of a Passion Play. The outdoor play was very dynamic and moved all the way across the site, using props and staging to capture the gravity of the story as it happened two millenia ago, amongst a crowd of onlookers. You can read more [at our website](#).

PFA Bedding Plant Sale

The [order forms are now available](#) for our PFA Plant Sale on 13th May from 9am to 1pm. Please be aware that order forms need to be returned by Thursday 4th May. Why not come along to the next PFA meeting on the 27th April? Please call the school office if you'd like more details.

Numeracy Newsletter Published

We've just published our latest Numeracy News giving you an update on all things numerical that are going on at St. Julie's! Please take a moment to have a look at the newsletter [which is available here](#).

Awards Evening 2017

Foundation day brought a double celebration for us this year as we followed up our service with the annual Awards Evening later the same day. The evening was a wonderful celebration of all that we have achieved together and afforded our students the opportunity to gain public recognition for their outstanding efforts.

Geography Challenge Club

Selected pupils from Year 8 have just completed a 6 week 'Geography Challenge' programme with flying colours and today had a celebration of the excellent work they achieved. The winners of the Challenge were Lucy Hinton and Lydia Shea, but all pupils developed the ability to critically analyse information and present this to the group.

The Sweet Taste of Success!

This week we made our celebration of gaining the Reading Quality Mark at gold level all the sweeter by eating themed cupcakes! There were enough for each student so that everyone could get involved in this excellent achievement. We look forward to building on our success and making reading for pleasure at St. Julie's even more engaging.

Scholars' Programme 2017 - The Brilliant Club

The launch of The Brilliant Club programme will take place at Lancaster University on Thursday 8th June (10.30-3.30pm). Further details will be posted home to students involved in this programme within the next couple of weeks.

Year 7 Students Showcase Grease

7 Elizabeth performed in their second showcase of 'Grease'. The girls were outstanding and the support from staff, pupils and their families was overwhelming! You can see [some photos here](#).
