Presentation of Hillsborough Memorial Artwork

The Art Department were joined by Artist Phil Garrett, Hillsborough survivor Richie Greaves and Stephen Kelly, brother of Hillsborough victim Michael for the official hand-over of the acrylic painting depicting the two children hand in hand at the Everton game which took place at Goodison Park on 17th September 2012. The painting was donated to St Julie's to mark the opening of our new building in 2017.

Preparation Pays Off!

Congratulations to Olivia in Year 10 for topping the charts in exam preparation! Olivia has used GCSEPod revision software 177 times in the last few months to watch exam specific tutorial videos, complete tests and develop her knowledge. We hope she enjoys her Love to Shop voucher!

Science Club Grow A 'Densitree'!

The club's 'densitree' is a triumph of retort stand and clamp modelling and engineering, but it takes its name from the solutions of different densities and colours that give the layered effect on the fluids in the decorative glassware. Well done to the scientists for some great work!

Year 11 French and Spanish Listening Exams

The individual listening exams for Year 11 French and Spanish students will be taking place from the 1st to the 4th May.

Nicaragua Awareness

We've been reflected on some of the work carried out by the Sisters of Notre Dame in Nicaragua. You can learn more about it in [this post from our Chaplain](#).

Medical Appointments

Parents should always provide an official appointment card or letter from the practice stating time and date of appointment and time out of school should be kept to a minimum - pupils should always attend before an appointment and return to school after an appointment where at all possible. If parents are unable to provide an appointment card or practice letter then parents will either need to collect their daughter in person or office staff will have to contact parents by phone to confirm that they wish for their daughter to leave school. This is part of our safeguarding commitment to all pupils.

Administration of Medication

It is the responsibility of parents/carers to inform the school of their child's medical needs before

the student joins the school, or as soon as a new medical condition is diagnosed.

Parents/carers **must complete** the appropriate Form ([Form 3B](#)) [Parental agreement for school setting to administer medication](#). **A member of staff cannot administer medication for your daughter unless the completed form is returned to school. Written permission from parents/carers is required** for students to self-administer medicine(s). A Request to Self-Administer Medication Form must be completed (see Form 7).

Parking

Can we remind people of the following:

- There is no on-site parking for parents or carers
- Parking is not allowed on the yellow 'zig-zags' in Woolton Street or on double yellow lines, including those on Speke Road between Watergate Lane and Manor Road
- Please also do not use parking facilities reserved for the use of other organisations, such as Woolton Day Nursery

All local schools and nurseries have asked their School Liaison Police Officers to support in ensuring that no young person is put at risk of harm by illegal or inappropriate parking. There is ample free, safe and legal parking available on High Street, a two minute walk from the school which pupils can reach without crossing any roads.
