Dear Parent/Carer,

Re: Year 9 Humanutopia event

We have invited an organisation called Humanutopia to St. Julie's Catholic High School to work with all year 9 students on **Wednesday 4 November 2020 in the sports hall (9:00am – 3:10pm)**. Your daughter will be asked to participate in this very exciting and innovative event, which has been commissioned by School Improvement Liverpool, City Council.

The first phase of the project is called '**Who Am I?**' and is a day-long experience, which deals with important teenage issues around personal awareness, peer pressure and conformity. It will also encourage the students to reflect on their life chances, encouraging them to have high hopes and aspirations for their future. The day has been designed to help young people discover a more authentic side to who they are.

The experience is designed to empower young people to develop critical life skills and take motivation and ownership of their education. We are certain that this will be a positive and memorable experience for your daughter and feel it is a perfect complement to her academic studies.

For further information on Humanutopia – please go to their website at www.humanutopia.com. Thank you for your continued support of your daughter's education.

Yours sincerely

Mrs K McCourt
